These programs are designed for individuals and families, **not groups**. They are not designed to provide childcare. Therefore, parents are encouraged to discuss attendance expectations with their children. Park staff cannot detain youth wishing to leave at any time. Children under 13 years of age must be accompanied by an adult. Should you require special accommodations (i.e., language interpreter, large print, etc.) please give as much notice as possible by calling the Park Office, or the Therapeutic office at 410.887.5370.
