

THE CROMWELL VALLEY PARK COUNCIL
presents
A NIGHT OUT WITH NATURE
Speaker Series

Lindsay Barranco

“The Importance of Bees”

Friday, April 6 at 7 PM to 9 PM

Sherwood House at Cromwell Valley Park

2002 Cromwell Bridge Road, Parkville, MD 21234

It has been estimated that a third of what we eat can be traced back to the pollination practices of honey bees. The work they do is critically important to home gardeners and our entire food supply. Speaker Lindsay Barranco will tell us more about keeping honey bees & their crucial role in the environment. She will also share information about our native bee pollinators here in MD.

Ms. Barranco works as a MD Dept. of Agriculture regional apiary inspector and serves 4 counties in the state. Lindsay enjoys speaking with beekeepers, as well as assisting them in recognizing the needs of the colony, and implementing best management practices.

**This program is designed
for Adults.**

**To make your reservations,
Call: 410-887-2503**
