“Homesteading on an Acre”

Friday, September 8 at 7 PM to 9 PM

Sherwood House at Cromwell Valley Park

2002 Cromwell Bridge Road, Parkville, MD 21234

The dream of leading a rewarding, self-sufficient lifestyle close to the earth is achievable on less land that you may have imagined! An acre is all you need to produce an abundance of healthy, organic food to nourish your family and friends.

In 2014 two Naturalists fell in love, and equipped with big dreams, a pocket full of seeds, and a lonely white hen, they created *The Hippy Homestead*. Today they grow healthy, organic food for a family of five, raise a flock of free range poultry, and open their teaching "farm on an acre" to over 600 like minded learners a year.
