

NATURALIST INTERNSHIP

Get experiences working with children and family groups while having fun in Nature!

Willow Grove Nature Center at Cromwell Valley Park is a facility of Baltimore County Recreation and Parks. Our mission is to provide quality programs and increase appreciation of nature.

Responsibilities may include:

- Assisting with school field trips, public programs, scout programs, summer camps, festivals
- Planning and preparing for programs
- Taking care of exhibits and program animals
- Maintaining trails and gardens

Qualifications:

- At least 1 semester of college education, biology and/or environmental science courses
- A willingness to learn new things and get dirty
- Communication skills
- Flexible hours, minimum of 12 hours/week
