Subject: Green School Recap from Faculty Mtg 2/19
Attachments: GS Update Feb2019pdf.pdf

Dear All,

In case you missed our presentation at the Faculty (and Staff) meeting, we have attached our PowerPoint. We are in the final efforts to finish our Green Schools Re-certification and we just wanted to thank everyone for their help and inform you about our continuing efforts. We appreciate your time and support in this effort. If you have any questions, please contact Jean or Liz.

Thanks again,
Liz and Jean
