

Floor Prep Green

Floor Prep GREEN is a unique GREEN certified formulation that meets DfE environmental standards for safety in application on all hard floor surfaces not harmed by water. Created to eliminate the need for stripping. Floor Prep GREEN penetrates, suspends, encapsulates and removes surface and embedded dirt without removing the coating/finish. Floor Prep GREEN is used any time mopping, auto-scrubbing floors, installing and restoring, cleaning floor pads and repairing all high stress floor areas like hallway pivot points, and service counters. *Floor Prep is also used for grout, cleaning whiteboards, walls, decks, baseboards, elevator tracks, or any surface not harmed by water.* Floor Prep Green is certified by the EPA as Safer Choice and is included in the LEED EB Standard.

Ultra Reflections Floor Finish Green

Floor Finish is designed to complete Zing Green Floor Care System. Ultra Reflections produces high gloss after burnishing, resists soil penetration, maintains exceptional durability, and prolongs re-coating. For use on all hard floor surfaces. Ultra Reflections Floor Finish Green is certified by the EPA as Safer Choice and is included in the LEED EB Standard.

AirX 44 HDQ

A one-step, neutral disinfectant that is effective against a broad spectrum of bacteria, is virucidal* (including HIV-1, HBV and HCV), fungicidal and inhibits the growth of mold and mildew and their odors when used as directed. Great for locker rooms, gyms and sports facilities. Excellent for use when there is a likelihood of contamination by blood or body fluids. AirX HDQ kills Staph, MRSA, Hepatitis B and C viruses. EPA registered.
