I am forwarding to you the email from the SSND International SHALOM coordinator, which not only contains links to a calendar for observing Season of Creation, but also provides an example of communication in an international/global group. Another calendar for the observance is available at www.season_of_creation_calendar_2018_1.pdf.

Some Additional Resources September

Here are some additional resources that sisters have sent me for help with the celebration of the Season of Creation.

- Christian Concern for One World (CCOW) has beautiful PowerPoint reflections that are available for download at their site for the Season of Creation. You can find them [here](#).
- The Central Pacific province has created a calendar with simple thoughts and actions for each day from September 1 to October 4. The link is [here](#).
- One of the recommended YouTube videos from the Central Pacific province is of a woman who has drastically reduced the amount of plastic she uses each year. The video can be viewed [here](#).
- Sister Maria-Theresia sent two links for the Season of Creation in German that may be of use to you. Please share any additional links in your languages so we can share them!!
 - *ACK (Arbeitsgemeinschaft christlicher Kirchen in Deutschland – Working group of Christian Churches in Germany)*:
