# About the Park

Cromwell Valley Park is 470+ acres of natural beauty nestled between Towson and Parkville in Baltimore County, MD. The Park is a stream valley, with a mixture of wetlands, pasture, cultivated fields, orchards, gardens, & woodlands. Settled for farming in the late 1700s, the Park has a little something for everyone: hiking, bird & wildlife watching, vegetable gardening, community service projects, and more!

At our Willow Grove Nature Center, we offer Naturalist guided programs on nature, conservation, farming, local and natural history. (revised 01/24)

**Most of our programs align with Baltimore County Public Schools science units.**

## PROGRAM DAYS & TIMES

School Field trips are scheduled at 10 AM on Tuesday through Thursday.

Scout Programs are scheduled at 10 AM on Saturday and Sunday.

Rain or Shine! Dress for the Weather. Wear clothes & shoes that can get wet.

### Questions?

Contact Ranger Laura  
LPPage@baltimorecountymd.gov

( Key: S = Spring F = Fall)

- **Kinder Nature** (SF). *1 Hour– Pre-K & K*  
Explore a seasonal topic with a Naturalist.
- **Outdoor Living Skills** (SF). *Grades 2 and up.* Learn how to make fire, build shelter, and other survival skills.
- **Colonial Life at Fort Garrison** (F). *Grades 2 and up.* Who were the Rangers stationed at the old Fort in 1693? Emphasis is on skills, tools and 17th century history. (OFFSITE at Fort Garrison in Pikesville.)
- **Reptiles & Amphibians** (SF). Snakes, turtles and frogs have fascinating lives. Hike with us to look for and observe them.
- **Geology of Maryland** (SF). Rocks and the minerals within them are like cookies which have ingredients. We'll hike to discover & collect specimens.
- **Hike into History** (SF). *Grades 2 and up.* Hike to the log cabin and lime kilns to learn about life in Cromwell Valley 160 years ago. Try your hand at some of the things they did back then.
- **The Native Americans of Maryland** (SF). What was life like for Native Americans before Europeans arrived? Learn by doing some of the things they did daily.
- **Habitat Explorers** (SF). All animals need food, water, shelter, and living space. Learn how animals have adapted to thrive in their habitats.
- **Stream Strollers** (SF). How does the health of our stream affect the health of the Chesapeake Bay? Wade in with us to catch the critters that live there. Water shoes/boots are a MUST.

- **Discovering Insects** (Late S & Early F). Explore the park's diverse insect life. Collect and observe insects. Learn about their life cycles and behavior.
- **"Tree"mendous Trees** (SF). All living things, including us, depend on trees. Hike and identify trees by their shape, leaves, branching, smell, taste, bark, fruit, and seeds.
- **Spring Planting** (S). *90 mins– Pre-K & K.* Learn how plants grow & why farms are important and then plant a sunflower seed to take home.
- **Fall Harvest** (F). *90 mins– Pre-K & K.* What was it like to live on Willow Grove Farm 160 years ago? Join in the harvest as we learn about the crops we harvest in the Fall.
- **Scout Programs**. *All year round– 1 hour.* We offer hands-on nature & animal programs that satisfy scout requirements.
- **Community Outreach**. *All year round– 1 hour.* Attention Teachers! Can't come to the Park? Schedule a Ranger to come to your school!
